Music Progression Map

Intent : Following the national curriculum for music our intent is that all our children :-

- **perform, listen to, review and evaluate music across a range of historical periods, genres, styles and traditions, including the works of the great composers and musicians**
- **☑ learn to sing and to use their voices, to create and compose music on their own and with others, have the opportunity to learn a musical instrument, use technology appropriately and have the opportunity to progress to the next level of musical excellence**
- **☑ understand and explore how music is created, produced and communicated, including through the inter-related dimensions: pitch, duration, dynamics, tempo, timbre, texture, structure and appropriate musical notations.**

Each unit of work in charanga is made up of the strands which correspond with the National Curriculum for music : Listening and Appraising, Singing, Playing Instruments, Improvisation, Composition and Performing.
 Our music curriculum is also supported by the Rutland and Northamptonshire Music Hub as indicated on this document within school focus.
 Currently we have weekly music peripatetic teachers for piano, guitar and flute.
