Quad Kids Athletics

Well done to the Quad Kids Athletics team who competed on Thursday. Each athlete has to complete a sprint, a 600m run, a long jump and a throw. The children were brilliant and turned in some superb performances!

The children showed courage, resilience and determination today when they had a go on the climbing wall! It was amazing to see how some of our youngest children managed to reach the top! Thanks again FEM!

Oncar's Adventure at Rutland Water

We have kindly been donated a set of books for our children to read in school about the Rutland Panther and his adventures, by Tracey Dene Powell and illustrated by Kevin Becken. If you would like to purchase a book to have at home they are £7.99. each.

Year 6 had a great session in the forest on Thursday, there was free play, crafts and some whittling. It was great fun!

Flowers for First Holy Communion.

Thank you to Creative Club who made some beautiful flowers to decorate the church for the First Holy Communion Mass on Sunday. Good luck to all the children who will be taking their First Holy Communion.

Y5 Design & technology!

As part of their Design and Technology topic, Year 5 visited the market, Tesco and a bakery to look at packaging, food miles and seasonality. They then had a fun afternoon making scones on Thursday! Thank you to Hilary who came in to help.

Excess soil—please help yourself

Following the kind donation of soil for our planters, we have a large quantity left over which is taking up the space for our scooter and bike area. If you are in need of any soil at home, please bring a bucket and help yourself!

Prayer of the week

Children's Earth Prayer

Dear God, thank you for this beautiful planet. Bless it and keep it safe from harm. We pray for the protection of the animals, the soil, air and water. May we care for all you have made.

World Ocean Day

We celebrated World Ocean Day in school on Thursday 8th June with the children. This made us all reconnect with our beautiful world and remember how important it is for us all to appreciate the planet we live on. I remember during lock down how we all had so much more time to be mindful about our surroundings and explore our local area. Maybe this weekend there is a chance for you as a family to do this together.

I have enclosed a [link](#) to World Oceans Day for you to have a look at this with your children.

Enjoy the weekend and fingers crossed for sunshine!
