Prayer of the week

Children's prayer of the day

Jesus, help my eyes to see All the good you send to me.
 Jesus, help my ears to hear Calls for help from far and near.
 Jesus, help my feet to go In the way that You will show.
 Jesus, help my hands to do All things loving, kind, and true.

Worry

Sometimes we all get worried about things and this is quite normal. This resource contains 7 tips that may help parents support children when they are worried about everyday things. Reassuring your children that worrying is something we all do from time to time will also help them to understand these feelings. It is also helpful to chat to your children about sorting worries into things we can do something about and other things that we have to let go because we can not control them.
