Virtue of the week

The virtue next week is: **Patience**

Please take time to discuss this at home with your child/ren.

Lenten Family Fast Day

Today in school, members of the school parliament helped Mrs Burgess, the school cook, to make a simple vegetable soup. Children were encouraged to try this at lunch time and think about our global neighbours across the world who do not always have enough food or food choices.

Head Teacher Awards

Congratulations to all the children who have received awards this week.

New Table Tennis Table!

The children have loved playing with the new Table Tennis Table that was installed over half term. A huge thank you to FEM for funding this!

Wellies and waterproofs!

Just a reminder please for children to bring in wellies next week for OPAL at lunchtimes. You may also wish to provide waterproof trousers or a change of clothes in case the children get very wet/muddy! A huge thank you to Daniel and Dec's grandad, Mr Hamblett, who has made lovely welly racks for the children!

Prayer of the week

We are thinking about the 2nd anniversary of the Ukraine war tomorrow. We pray for peace across the world.

Dear Lord,

Please pray for the people in Ukraine affected by the war and separated from their families. We thank God for the kindness of people in the UK who have supported families and made new friendships during this difficult time. Amen.

Visit from Father Stephen

Mrs Boyd's class had a lovely visit from Father Stephen today. He joined the RE lesson and helped the children understand the different actions, words and symbols of preparing the gifts at a Eucharistic Mass. The children also got to ask Father lots of questions.

Living Simply

Please take time this weekend to chat to your children about their Lenten pledges and how they intend to live their lives more simply during Lent.
