Notices

• **Vacancy— Wrap-around Assistant**

We currently have a vacancy for a Wraparound Care Assistant. Please click [here](#) for more information.

• **Parents evening**

Don't forget to book your parents evening slots for next week. Please use the links provided in the parentmail that was sent this week.

Virtue of the week

The virtue next week is: **Confidence**

Please take time to discuss this at home with your child/ren.

Dear families,

I hope that the children have enjoyed the first full week back after the Easter break. It's lovely to have some sunshine and the longer days which really give the sense of summer around the corner. The children have been playing on the field and have especially enjoyed the OPAL activities such as jumping off the mound and digging.

Year 5 have had Mr Palmer teaching them this week. Mr Palmer is an experienced KS2 teacher and will be covering in Mrs Scott's class for her leadership time. We welcome him to our school community.

Wear purple day has been a very special day in school. I come from a family with very strong links to the military and have previously raised money for SSAFA, the armed forces charity, by running a half marathon (some years ago now!). It is a cause very close to my heart and the prayers written by the children today were a touching reflection on their experiences as service children. Thank you to Mrs Chombe and Mrs Hilton for their support with our services club- I look forward to learning more about what they have planned. Thank you to all of our service families for the sacrifices that they make.

Have a lovely weekend and I look forward to seeing you at parents' evening next week. Kind regards, Gosia Brown

Head Teacher Awards

Congratulations to all the children who have received awards this week.

Creative Nightlights!

The Year 4 children had a great Design & Technology lesson last week. They evaluated nightlights from home and then designed their own. They are fantastic!

Happy Birthday to the children who have had birthdays recently

EYFS— Joseph

April is the Month of the Military Child, a time to recognise and celebrate the important role service children have within a military family. Today our children wore purple to support these families and to share our love and gratitude for all that they sacrifice.

Y5 Abbey Pumping Station

As part of their history topic, The Industrial revolution, Mrs Scott's class went to Leicester's Abbey Pumping Station this week. They had a great day!

Y2 Forest School

Miss Turner's class had a fun first session at Forest School this week!

Prayer of the week

Dear God,

Pray for our service children in school and their families.
May their parents be guided by you in their mission.
May they all be protected each day by your loving care.

Grant them compassion and peace in their daily lives.

Amen

Mental Health Spot Check

Keeping a note of how we feel can be one of the most powerful ways to take control of our mental health and see patterns from day to day, week to week and month to month. There are lots of ways to do this from mobile phone apps to journaling or simply keeping a note on paper.
