Mission: **Where in your life do you need a fresh start? Make a promise this week to do something differently from now on.**

Starting something new can be hard. New house, new job, new school, even new shoes feel uncomfortable the first time we wear them. Stories with beginnings which are tough and challenging for the characters, often have the most satisfying endings. You've got a story to write, go make it a good one!

CST Link: **Common Good**  
Mission: **Try and visit a Church or sacred space this week and spend some time with God.**

Piety is about living a life of devotion to God. It's about nurturing our relationship with him through prayer, worship, and study of scripture. It's about recognising his presence in our lives and responding with gratitude and love. Piety isn't just about outward actions; it's about an inner disposition, a heart turned towards God. In the parable of the Good Samaritan, Jesus teaches us that our neighbour is anyone who needs our help, regardless of their background or beliefs. We are called to love our neighbours as ourselves, to show compassion, generosity, and forgiveness. This means reaching out to those in need, speaking up for the voiceless, and treating everyone with dignity and respect. When we see Christ in our neighbour, we discover the true meaning of love.

Counsel, sometimes called 'right judgement' is the way in which the Holy Spirit enables us to make the right decisions in our lives. It's a gift of the Holy Spirit, a supernatural wisdom that guides us towards what is good and true. It's the inner voice that helps us discern God's will in our lives, especially when faced with difficult decisions.

CST Link: **Solidarity**  
Mission: **Spend some time in prayer thinking about your Lenten journey so far and what you want to do with the journey ahead.**

Life is a journey, where we meet people, build relationships, learn new things and have both good and bad experiences. Our faith, and relationship with Jesus, is also a journey. No matter what, Jesus is always with us on our journey.

# Passion

Virtue Link: **Gratitude**  
CST Link: **Creation and Environment**  
Mission: **Think of a difficult situation you are facing at the moment and ask Jesus to be with you and to give you courage.**

Passion comes from the Latin word meaning to suffer or endure. For a Christian it reminds us of Jesus’ great sacrifice on the Cross- where he suffered and endured the pain, dying to forgive us our sins. In Passiontide just before the celebration of Easter we recall the events of his death and resurrection.

# Mercy

Virtue Link: **Charity**  
CST Link: **Creation and Environment**  
Mission: **Try and be merciful with everyone you meet this week, just as God is merciful with us.**

Napoleon was preparing to punish men who deserted his army. The punishment was execution. When a mother pleaded for her son, and asked that Napoleon showed mercy. He responded “he does not deserve mercy”, the mother said to Napoleon: “If he was deserving, it would not be mercy”. Mercy is what we get when we are least deserving, and what God offers us unconditionally.

Virtue Link: **Temperance**  
CST Link: **Peace**  
Mission: **Think of something you need to have faith in this week. Spend some time in prayer to ask God for the faith you need.**

Faith can be a difficult thing. In some ways, it is about believing in something you cannot see or prove. It can be particularly difficult to have faith in God when times are tough. But It can bring us together, it can carry us through difficult times, it can be what we use when we need to ask God for guidance.

# Vocation

Virtue Link: **Fortitude**  
CST Link: **Dignity of the Workers**  
Mission: **Spend some time talking to people about what you feel called to do with your life this week.**

Vocation comes from the Latin word meaning ‘to call’. By listening to God’s call to each one of us, we can discover our vocation that God wishes for our lives. By following this vocation we are able to discern what God offers to make our lives happy and fulfilled.

# Witness

Virtue Link: **Justice**  
CST Link: **Common Good**  
Mission: **Find one way to share what your faith means to you with someone else this week.**

To be a witness is not just about seeing something. When a crime is committed, the judge will call witness' to testify to what they have seen. Being a witness is seeing something and speaking out about it. Seeing the good and sharing it with people, and seeing the bad, and standing up to challenge it.

# Example

Virtue Link: **Prudence**  
CST Link: **Solidarity**  
Mission: **This week, think of a something positive and loving you can do for those around you to set a good example to others.**

Jesus is an example to us in lots of things; in how to treat other people with love, in how we should forgive people when they do wrong and how we should pray. He asks us to be an example too. To show our best to others so they might know how much God loves them.

# Communication

Virtue Link: **Diligence**  
CST Link: **Dignity**  
Mission: **Send a message to someone this week to tell them that they are loved.**

Words have so much power. They can inspire and demoralise, they can invoke love and peace, or cause war and hatred. In the age of communication through socail media and technology, our words have the power to travel anywhere on Earth. So the question is... what message do we want to send, and what words does the world need right now.

Pentecost is where we celebrate the coming of the Holy Spirit. This day is often referred to as the Church's birthday as it marks the moment when the disciples were inspired to go out into the world to share the good news.

# Trinity

Virtue Link: **Charity**  
CST Link: **Peace**  
Mission: **Say a prayer this week to God the Father, God the Son and God the Holy Spirit and think about who God is to you.**

The Trinity is the Christian belief that the God we Worship is 3 persons in 1 God. That Father, Son & Spirit are all equally God, and yet all individually different as well. It is one of the greatest mysteries of our faith, and is the catalyst of all our prayers, hopes and dreams, as we profess everytime we make the sign of the cross.

# Eucharist

Virtue Link: **Gratitude**

Mission: **Share a meal with the people you love this week.**

The Word Eucharist means “thanksgiving”. It is the primary motivation every time we worship as Catholics & Christians. To give thanks for his mercy, his grace, his sacrifice, his gifts, his word, his love, and how each of those things gives us a life in colour.

# Missionary Discipleship

Virtue Link: **Fortitude**  
CST Link: **Common Good**  
Mission: **Find a way to put your faith into action this week to help others to encounter Jesus.**

Jesus’ apostles were the first missionary disciples; they were given a task by God to go and spread the Good News. Some set up places of worship, some travelled around the world, others wrote about Jesus’ life. These are big missions to accomplish! But we don’t need to do anything quite so dramatic: we can start this at home with our families.

# Acceptance

Virtue Link: **Temperance**  
CST Link: **Dignity**  
Mission: **Think about someone in your community who might find it hard to join in. Make an effort to include others in what you do this week.**

Acceptance is the ability to see and appreciate people for who they are, without judgment. It helps us to build relationships and live in peace with each other. Acceptance comes from the knowledge that all people are loved and valued by God without exception, and because of this, we should be willing to accept others with love and mercy.

# Follow

Virtue Link: **Justice**  
CST Link: **Dignity of the Worker**  
Mission: **Try this week to be someone who others will follow by being like Jesus and setting a good example in what you say and do.**

Jesus calls himself the way, the truth, and the life. When we follow Jesus, just as the first disciples did, we are making a powerful choice to live our lives according to his teachings. To follow Jesus is not easy, and it often requires great courage, strength and sacrifice.

Gratitude is being thankful for what we have. It is about being grateful for the good things in our lives.
