VIRTUE OF THE WEEK

Courage

If your child has shown the weekly virtue out of school, please post a picture on their portfolio on Class Dojo so the teacher can see!

COLOUR DASH!

What an amazing first Colour Dash we had this afternoon! The children and staff had so much fun and we were pleased that the sun came out for the event! So far we have raised £1,406 for Lifting Children's Hopes (LCH) but we know there are more forms to come back. Thank you for your support and we look forward to sharing our grand total soon along with the prizes. Listen to Rutland and Stamford Sounds on Monday at 8am to hear all about it!

NETBALL

Well done to our netball team who competed in the finals this week after finishing top of their group. They played amazingly as a team and finished the competition in second place!

MATHS CHALLENGE

Well done to Chris in Y6 who qualified to take part in the UKMT Junior Kangaroo Maths Challenge on Tuesday. It was a tricky paper, but Chris did a great job and scored 95, which gets him a Bronze Award.

Y2 GEOGRAPHY FIELDWORK

Year 2 have been busy exploring their local area in geography recently. They have been out on fieldwork walks near school to identify the physical and human features and also to conduct a traffic survey.
